NOMINATION FORM**

Cast your vote for the 2023 recipient of the “Instructor of the Year” Award. With your votes we will select an instructor who is dedicated and highly skilled and inspires others to learn.

The Board would like you to cast your vote for an instructor you feel should receive special recognition. If you have had an instructor who gave you valuable information on the NEC and quality time for your required continuing education, please submit the instructor’s name. You can also submit a note or letter detailing why you feel the instructor should receive this recognition (but it’s not required!). The instructor with the most votes will be recognized at the North Carolina Electrical Institute meeting being held in April 2024 in Raleigh, NC.
